

**Open-i  
Advisors**

# Business Operations Consulting

## Overview

Open-i Advisors engagements empower companies to develop actionable, quantitative data that drives decision making. We can do this at many levels throughout an organization, including:

- Executive team coaching
- Management consulting
- Process specialist engagements
- Employee Relations specialist engagements
- Sales cycle management specialist engagements

## Example Activities:

Core Competency Training

Process Improvement Projects

Human Resources/Employee Relations

Culture and Core Values Refinement

Customer Life Cycle Analysis and Insights

Operational planning and road-mapping

Change management improvements

Metrics-driven examination of market segment opportunities

Goal tracking and management dashboards

## About Us

Open-i Advisors helps businesses make smarter decisions through consulting engagements that help organizations navigate their best path to growth. Whether your organization seeks to navigate from old markets to new ones, or simply maximize its success in the Internet infrastructure market, Open-i Advisors can help.

*Put our industry experience to work for you.*
